

Morningstar.com® Library Edition Quick Start Guide

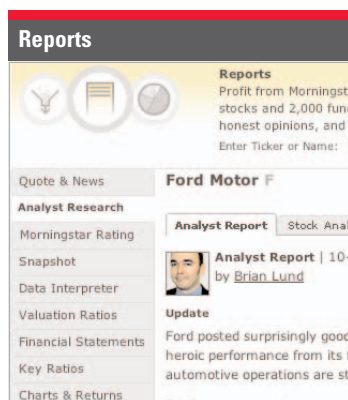

1 Go to the library's list of databases and click on Morningstar.com Library Edition.

2 From Morningstar.com Library Edition's home page, access all the major features.

Build lists of stocks and funds that interest you by using financial criteria. Or click on Morningstar Screens and use screens developed by Morningstar analysts.

Get financial data on more than 20,000 stocks and mutual funds, and buy/sell guidance on more than 1,500 stocks and 2,000 funds. Just enter stock or fund names, or their tickers, in the box and click Go.

Analyze how stocks and funds work together to accomplish your goals. Click and then enter the ticker for stocks and funds in the boxes. This will take you to X-Ray Overview. Select 11 other analyses from the dropdown box called "Views."

Get a complete investing education by clicking on Help & Education (in the black bar at the top of the home page). Click "View Complete Course Catalog" to see 150 topics on stocks, mutual funds, and portfolios.
